Aloha I am a resident of Kailua and funding the rail development through my taxes. I am upset and angry and seeing more hotels and malls and luxury condos developed. I support strengthening Bill 58 CD1 by requiring developers to make sure their developments meet the needs of local residents, and that housing developed is affordable to local residents. I think at least 30% of the developments should be affordable to meet the needs of the lowest income people as possible. Any affordable housing should be affordable for as long as possible. SUPPORT AND STRENGTHEN Bill 58 CD1.
